

RHODESIAN RIDGEBACK

All dogs present today were presented well & in hard muscular condition. All had pleasing ridge of coat on back of good length & clearly defined.

Puppy (3-1abs)

1 & B. P. Dunn's Tusani Bear Grylls With Khananga, raw male loose but easy stride, sound fore & aft, pleasing head shape with well set ears of medium size, intelligent in expression, has a fair length of neck & sloping shoulders, good strong bone & is straight in foreleg, body developing well for young age, good depth of chest with plenty of room, strong in back with powerful loin with slight arch, excellent feet & in good coat & hard condition, tapering tail, his quarters are well muscled & good bend of stifle.

2 Hall's Msingi All About Me Of Cynami, a few months younger than 1 another sound quality youngster, feminine & balanced in outline on stack, free easy movement which will be more together in time, lovely head, well set eye & ears, good neck & pleasing in body shape & condition for young age, presented to perfection, good rib & top line, slight arch over loin, well set hocks & tail carried correctly, in excellent coat, correct shaped feet.

P. Grad (3-1abs)

1 Scanlon's Kinabula's All About The Bass JW, lovely headed b, pleasing in eye & ear well set, most lovely balanced out line on stack & moved with ease around the ring, lovely easy stride, strong & fair in length of neck, has a lovely front & good bone, in excellent body, correct in rib & loin, short & dense in coat which is well presented, tapering tail well carried, correct feet, well muscled quarters, hocks well let down, scored highly for balance & size, moved very well.

2 Hall's Matsushona Fire Opal Of Cynami, masculine d, impressive in head shape & well bodied, good front & in excellent body, correct in loin & well set rear, tail correctly set & carried, good feet, in superb coat & muscular condition, today prefer balanced outline of 1.

Limit (1)

1 Hall's Kenquince Pisonia Of Cynami ShCM, mature b, taller than other bitches today but balanced all through, fair length of head with flat skull, well set ears of medium size, keen in expression, fair length of strong neck, good top line & desired deep chest & moderate spring of rib, well set tail & quarters, good shape of feet, in gleaming coat & hard muscular condition.

Open (4)

1, & B.O.B. Bates's Gunthwaites Midnight Swinga. 2 yr old b, scores highly for size is feminine but shows great strength, moved soundly fore & aft & shows her free action in profile, head of fair length with powerful muzzle, fair length of neck leading to lovely shoulder, elbows close to body & good bone, in excellent body condition, depth of chest & moderately sprung ribs, excellent loin, her quarters are well muscled & hocks well let down, excellent feet & tail, superb coat & presented to perfection. Delighted to hear she took 4th in group later in the day

2 & R.B.O.B. Craven & Mackfall's Ch. Heaps Henry Higgins JW, mature 5yr old all male, most impressive & appeals to the eye both on stack & on moving, difficult decision between 1 & 2 today but just thought 1 more together on the move. Although the ring was fairly large & spacious I think this male needs more space to relax & get into his true stride. Lovely shape of head, correct in eye & ear shape & set, strong jaw. Excellent depth of chest with correct rib & loin proportions, excellent arch over loin, strong in neck & super shoulder, excellent bone, his quarters are sound & well muscled, low set hocks & good bend of stifle, excellent neat feet, tail well set on & carried on the move, has the desired short & dense coat which is presented to perfection.

3 Chavez-Novoa's Carlincox First Impression JW.
