

Critique of the Whippets, November 2018 show by the judge, Mrs K J Jones

Many thanks to Humberside Hound Show for inviting me to Judge whippets

I received a very warm welcome with two pleasing stewards

The ring was a supersize for the breed which allowed all whippets to excel

Thank you to all exhibitors I had a lovely entry which was encouraging my findings were good

Presentation..clean some a tad overweight and tooth with plaque which was slightly disappointing

7mth Fawn bitch well balanced, good head and ear set, elegant neck leading into good shoulders well covered over her curves a strong first and second thigh with well let down hocks allowing her to move on her neat feet both presented well with her handler gaining the best from her a calm persona was a lovely virtue for one so young
