Puppy: 4/4

1. O'Donnell's Drishaun Faith Is Like A Lily For Javidan, 10 months, brindle bitch. Super young lady with real presence. Beautifully refined head with a dark triangular eye which gave a lovely feminine expression. Beautifully presented coat. Well placed front shoulder balanced with correct rear angles, level top line held well on the move, finished with a ring tail. Well balanced, moving with lots of spring and drive and with an elegance that defied her age. Expecting great things of this one. BOB, Puppy Group 3.
2. Noble & Gardner's Aqua's The Bitchisback (IMP USA), 6 months, black masked gold bitch. Another super baby. Lovely expression from her dark eyes contrasted with her gold monkey whiskers. Overall well balanced and moved well, just lacked the maturity of 1 but for such a young pup she gave a good account of herself and I am sure she will mature into another lovely young lady.
3. Lancashire & O'Donnell's Drishaun Don't Gild The Lily.
